

Single Assessment System assessment organisations by service area, region, state and territory

Aged care assessments are delivered in 22 service areas across Australia (see table below). Each service area is made up of a number of Aged Care Planning Regions.

Assessment organisations conduct:

- *aged care needs assessments* for in-home aged care, flexible aged care programs, residential respite and entry into residential aged care, and/or
- *residential aged care funding assessments* to determine Australian National Aged Care Classification (AN-ACC).

Each service area is made up of a number of Aged Care Planning Regions.
